Rhodri Evans, Swyddog Priodol dros dro/  
acting proper officer to the Council

## Llanddewi Brefi – Summary of initial proposals for changes to speed limit (subject to further public consultation).

The existing 30mph limit to be proposed to be reduced to 20mph, with the following elements:

- a. Approach from the north to have a gateway marking by Pant y Gorwel.
- b. Approach from the north west to have a roundel marking on a red antiskid patch by Bryngwyn
- c. The extent of the limit by Beili Richard to be assessed on site to see if minor extension is a practical possibility.
- d. Gateway marking to be installed on the approach from Lampeter.
- e. On the approach from the south west, possibly extend the new 20mph limit past the Vicarage, with a gateway marking, plus warning signs for the playground.
- f. On the approach from the south east possibly extend the new 20mph limit to past Ddol Foelallt if possible, some site survey work will be required.
